

# You deserve the best. We deliver.

**When you're having a baby, you deserve the best care possible. With our distinctive combination of advanced medical expertise in a supportive, family-friendly environment, that's exactly what you'll get.**

In our newly renovated Birthing Center, you can labor, deliver and recover in a spacious, private suite complete with kitchenette, sleeper sofa, Jacuzzi tub and free wifi, making it easy for your family to share in this special time. You can relax in the attentive care of our highly trained doctors, certified midwives and nurses, enhanced by a sophisticated fetal monitoring system that ensures your baby's safety. And dinner's on us – you and your partner will be served an in-room candlelight dinner to celebrate your baby's arrival.

**Thoughtful amenities. Exceptional care. You deserve the best childbirth experience possible. And that's what we deliver.**

Our team of professionals at the Birthing Center at Memorial Hospital.
